Order thereon, 319-31 / Sanitary 93-76-11 dt 11.7.08

Govt. direct that the amount spent on plague expenditure should be included in the budget of the public Health department but they consider that it is unnecessary to show therein the expenditure on Sanitary works incurred in the public works, Municipal and Local funds departments as suggested by the Sanitary Comm. more especially as the Health department is purely an advisory body and not an executive one
